

Roll No.

--	--	--	--	--	--	--

Paper Code: OCE 351

M.Tech. (Working Professional) Structural Engineering
End Semester Examination 2025
III Semester
Cost Management of Engineering Projects

Time: 3:00 Hours

MM: 100

Note:

- (i) All questions are compulsory.
- (ii) Answer any two sub questions among a, b & c in each main question.
- (iii) Total marks for each main question are twenty.

- Q1 (2x10 = 20 Marks)
- a Explain cost accounting in detail?
 - b Explain the term Incremental cost also describe the benefits of incremental cost analysis? CO1
 - c Explain nine main concepts of cost which are used for taking decision
- Q2 (2x10 = 20 Marks)
- a Describe in detail project execution plan also elaborate the importance of project execution plan?
 - b Explain the term Project execution as conglomeration of technical and nontechnical activities? CO2
 - c Describe non-technical approach for project management also describe various issues for the Non-PMP Project Manager?
- Q3 (2x10 = 20 Marks)
- a Describe the terms Variable costs, Fixed Cost?
 - b Explain cost volume profit analysis in respect of cost management?
 - c Explain the terms cost behaviour and profit planning marginal costing? CO3
- Q4 (2x10 = 20 Marks)
- a Describe the terms Inventory Status and Shop Calendar?
 - b Describe the term TQM also explain the characteristics of TQM with respect to cost management of engineering project? CO4
 - c Explain flexible budget with advantages and disadvantages?
- Q5 (2x10 = 20 Marks)
- a Explain in detail with suitable example "Performance budgets and Zero-based budgets"?
 - b Explain concept of Value-Chain Analysis? CO5
 - c Explain planning also describe various steps in involved in planning in sequential order?
