ODD END SEMESTER EXAMINATION DECEMBER – 2024

Name of the Course: B.Tech CSE Semester: VII

Name of the Paper: Human Computer Interaction Paper Code: TCS756

Time: 3 Hours

Maximum Marks: 100

Note:-

- (i) All questions are compulsory.
- (ii) Answer any two sub questions among a, b & c in each main question
- (iii) Total marks in each main question are twenty.
- (iv) Each question carries 10 marks

Q1	(20marks)	CO1
(a)	What is HCI? Who is involved in HCI and What are the 5 major senses?	
(b)	What is meant by visual perception? What are the input and output channels of human? Mention 7 stages of Donald norman's model in interaction?	
(c)	What is long term and short term memory? And mention its types, Differentiate deductive reasoning, inductive reasoning and abductive reasoning	
Q2	(20 marks)	CO2
(a)	What is meant by interaction design process? List screen design tools	
(b)	List the principles of a software design in HCI and List out Shneiderman's 8 Golden Rules of interface design	
(c)	Differentiate throw away prototyping and incremental prototyping and What is meant by task Migratability?	
Q3	(20 marks)	CO3
(a)	What is meant by Backups Naur Form? Give an example and Differentiate linear text vs. hypertext in communication.	
(b)	What is meant by automating process workflow BPR? And Explain in detail about socio- technical modelling and soft system methodologies	
(c)	What are the challenges present in display based Systems And What are the different types of physical device models available in cognitive model?	
Q4	(20 marks)	CO4, CO5
(a)	Discuss the following characteristics in respect of web pages (a) Page size (b) Page rendering (c) Page layout (d) Page resolution (e) User focus	
(b)	List different application framework used in mobile HCI and What is meant by web kit?	
(c)	How Mobile Widgets Are the Next Big Thing, and What is meant by Mobile Design Tent-Pole?	

Q5	(20 marks)	CO5, CO6
(a)	What are the Events present in drag and drop? And Who are the Actors in drag and drop?	
(b)	Define Boundary-based placement and Differentiate Artificial Visual Construct and Natural Visual Construct.	
(c)	Differentiate Hover-Reveal Tools and Toggle-Reveal Tools and What is meant by Zoomable User Interface?
